

Handmade Oxford | The International Contemporary Arts Festival | 16-19 September 2021

With over 7,500 visitors attending in 2019, this popular four day consumer-led event, **Handmade Oxford – The International Contemporary Arts Festival** returns to the beautiful surroundings of Waterperry Gardens in Oxford, from **Thursday 16 – Sunday 19 September 2021**. We would love you to be a part of it and, with our visitors, enjoy a relaxed summer festival atmosphere.

We have found innovative ways to bring costs down for those wishing to exhibit while still capturing the unique look and feel of the Festival. By making changes to our marquees, exhibitor stands, and also providing our exhibitions with **complimentary participation to our Interactive Virtual Craft Fair**, which will be running alongside the in-person Festival, we have enabled makers to boost their selling capacity without having to spend more, whilst ensuring compliance with Covid-19 regulations.

Set to be a highlight for art collectors and craft-enthusiasts alike, the Festival welcomes exhibitors showcasing their latest collections. This year we are pleased to welcome for the first time Artisan Food producers, and the launch of a new feature, Sustainable & Eco Living. In addition to meeting the makers, visitors will be invited to take part in a packed programme of workshops, attend talks, view maker demonstrations, and explore the beautiful ornamental gardens at Waterperry.
